

## amber – grand comfort

Design Roland Meyer-Brühl

Contemporary divan: Luxuriously quilted upholstery, adjustable arm- and backrests and a mix of various loose cushions make amber variable and comfortable. Horizontally emphasised lines ensure that it blends effortlessly into the surrounding space. This corner solution consisting of an add-on sofa and a long chair offers plenty of space for relaxing or lying down. Lowering the armrests instantly converts the single sofa into a daybed. The armchair is also available with armrests that can be lowered. The covers are removable and replaceable. Armrests optionally either high, low or wide.
