

# lemon – blossom

Design Kati Meyer-Brühl

Radiant and energetic, lemon – blossom embodies authenticity and the easy-going southern European lifestyle. The decorative armchair has an uplifting effect, in private homes as well as lobbies, shops or other environments with an unusual ambience. The armchair back – with a soft, deep seat for utterly enjoyable seating comfort – fans out into five elongated leaf-shaped sections that taper towards the top, creating a crown-like silhouette. Three movable rest elements and a swivel base offer flexibility. Comes with removable fabric, leather or high-tech material covers. Optionally also with a matching stool.
