

# roro small classic – the original since 1998

Design Roland Meyer-Brühl

roro small classic offers impressive conversion convenience together with super-compact dimensions. Its smooth, rounded upholstered surfaces and graceful base frame look airy and elegant. Left: Thanks to the seat's swivel mechanism, a single multifunctional armchair, optionally with a connected side table, already offers all of the variety that is typical for roro, with options for sitting, reclining and lying down.

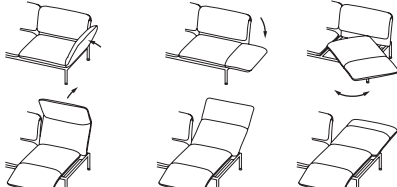

Below: The blue sofa – with two separately adjustable swivel seats – can be converted into a daybed by lowering one of the armrests. Bottom right: This effortless arrangement, created with a corner add-on sofa and an add-on sofa, features two swivel seats and four individually adjustable backrests. Removable and renewable fabric covers make roro small classic long-lived.
