The sofa roro small spring offers impressive conversion convenience coupled with compact dimensions. An integrated sprung core ensures smooth surfaces and a slightly springy seating comfort. The two 90-degree swivel seats can be adjusted individually for relaxation and reclining. Lowering the arm-

rests down the sides converts the sofa into a daybed. Top right: This corner solution consisting of a recliner and an add-on sofa also offers two lounging or reclining seats, or even three with an additional stool in the middle. All backrests are separately adjustable. All fabric covers are removable.
