

roro medium soft – the original since 1998

Design Roland Meyer-Brühl

roro medium soft is characterised by the contrast between the opulent, soft upholstery and a graceful base frame. Left: Swivelling the seats around by 90 degrees and lowering the backrests converts the two-seater into a daybed for two. Underneath: Corner arrangement consisting of a long chair with a movable side rest element and an add-on sofa with a swivel seat on the outside. All seat backrests are fully adjustable. Bottom right: Compact, airy arrangement created with a corner add-on sofa and an add-on sofa, each with swivel seat on the outside. The covers are removable. Thanks to its lightness and the timeless, clear design language, roro medium soft goes with any style of interior. The level of comfort is outstanding.
