

tele-marc

Design Johannes Foersom und Peter Hiort-Lorenzen

Take a seat, please: effortless total relaxation, as the reclining mechanism of the beautifully shaped armchair tele-marc can be activated at the push of a button. tele-marc extends as dynamically as its contours promise, and becomes a super-comfortable lounger that offers high ergonomic comfort – all

the way to the perfect „heart balance“ position, which is particularly relaxing. The covers are removable and can be replaced. The swivel base is available in chrome, or with a black powder-coated finish.

tele-marc Ordering information

Standard foot design

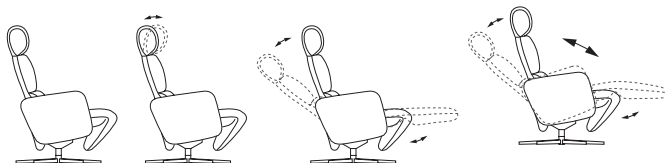

Five-star base, black powder-coated metal

Alternatives at no extra charge

Five-star base, polished chrome

Mechanism

Back and footrest are fully adjustable, automatic mechanism control panel located in the armrest; in addition, the armchair has a perfect "heart balance" option, the headrest is individually adjustable.

Control panel

The control panel in the armrest is always made from stainless steel to match the chosen foot version, either brushed black stainless steel to match the black powder-coated metal foot, or brushed stainless steel to match the polished chrome metal foot.

If a different option is required, please state when ordering

Construction

Metal frame, serpentine springs inside the backrest, seat pocket sprung core, premium-quality sandwich construction polyurethane foam wrapped in fleece, covers removable

Battery

A built-in rechargeable battery means convenient cordless operation of the electric mechanisms.

How to clean the covers

Please refer to pages 2 and 3 of the general information for care instructions.

Replacement covers

The price for a second or replacement fabric cover is 35% (leather 55%) of the total price of a new cover of the chosen type in the respective fabric or leather price group.
