

tromsø

Design Johannes Foersom und Peter Hiort-Lorenzen

Business Class comfort at home: The recliner tromsø offers optimum relaxation positions, all the way to the perfect „heart balance“ option, that are activated at the push of a control panel button in the armrest . Clear lines and a graceful star base give tromsø a light, elegant and timeless look. The upholste-

ry features additional padding on the headrest and in the lumbar region for optimum comfort. Premium-quality materials, as well as removable and replaceable fabric or leather covers, ensure a long life span and permit customised configuration options. The armchair is available in two different sizes.

tromsø Ordering information

Standard foot design

Five-star base, black powder-coated metal

Alternatives at no extra charge

Five-star base, polished chrome

Mechanism

Back and footrest are fully adjustable, automatic mechanism control panel located in the armrest; in addition, the armchair has a perfect "heart balance" option, the headrest is individually adjustable.

Control panel

The control panel in the armrest is always made from stainless steel to match the chosen foot version, either brushed black stainless steel to match the black powder-coated metal foot, or brushed stainless steel to match the polished chrome metal foot.

If a different option is required, please state when ordering

Construction

Metal frame, serpentine springs inside the backrest, seat pocket sprung core, premium-quality sandwich construction polyurethane foam wrapped in fleece, covers removable

Battery

A built-in rechargeable battery means convenient cordless operation of the electric mechanisms.

How to clean the covers

Please refer to pages 2 and 3 of the general information for care instructions.

Replacement covers

The price for a second or replacement fabric cover is 35% (leather 55%) of the total price of a new cover of the chosen type in the respective fabric or leather price group.
