

visavis

Design Roland Meyer-Brühl

Baden-Württemberg Design Award

Durable, clearly structured designer seating: visavis has stood for timeless value retention for over 30 years. Smooth surfaces, hand-finished high-quality leather covers and perfect proportions make visavis a timeless

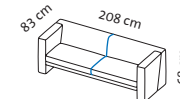

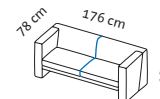

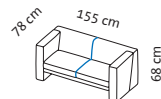

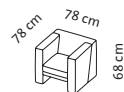

classic. As a suite with a clear-cut design, or as a sophisticated individual accent piece. Available with metal plinth legs or hidden gliders.

visavis Ordering information

Top: Classic sofa visavis covered in 2.5 to 5 mm thick leather of an exceptional quality, one piece without any dividing seams on the seat or back. The inherent liveliness natural and varying grain texture and the characteristic colour

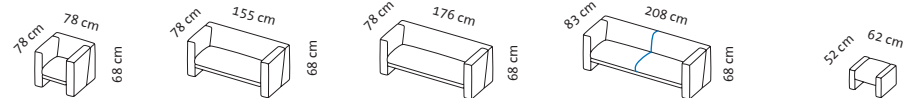

nuances of the leather are intentionally integrated into the design of the surface. An exquisite piece of nature of lasting value.

visavis Ordering information

Standard foot design	Plastic glides
Alternative at no extra charge	Polished chromed metal or black powder-coated metal
Thick leather finish	Thick leather covers are finished in one piece; i.e. there is no dividing middle seam on the seat and backrest. The sofa version -4 can only be finished with a dividing seam down the middle. On Oliva and Bull leather covers, the animal hide's fat wrinkles and the backbone area with all of their natural imperfections and colour variations are intentionally integrated into the design.
Construction	Wooden base frame, serpentine springs, seat encased innerspring core, premium-quality polyurethane foam wrapped in fleece, fixed covers
How to clean the covers	Please refer to pages 2 and 3 of the general information for care instructions.
